

Directors Note - It has been a privilege to work with these talented young people these last few months. Even though I have costumed many shows for MPH in the past, this is the first show I have directed at this school. Each student has made me proud because of the hard work they have put into making this show fun and entertaining. I know it isn't always easy to manage schedules of busy young people, so I give big thanks to the families of our cast members. Your love and support is what makes our team members so great! I would like to give thanks from the bottom of my heart to my mother, Tisha Lock, for always being there to make the odd prop or two and Michele Koziara for giving me this opportunity to work in such a collaborative environment. And to my cast, keep looking for those rabbit holes, it could lead to a grand story indeed!

- Mrs. Luce

A VERY SPECIAL THANKS to all who continue to give so generously of their time, talents and resources to help make this production a success, especially Shana Boyer, Minousha Bari, Erika Lambert-Zukher, Monica Towne, Kate Berry, Laura Harshbarger, Hanni Schwarzlander, Kathy Mahoney, and Matt Spear
